Dear Mr. Kantaraj Urs,

Would you kindly refer to letter No. 1229-Pol, dated the 6th June from Mr. Balasundram Iyer to myself about the case of Dr. Palpu.

Mr. Cobb will be highly obliged if you will favour me with information on the following points:-

(1) Is Dr. Palpu a State Subject or Pensioner; if the latter what pension does he draw?

(2) What was his pay when he retired from State Service?

(3) Would you, as representing the interests of the Durbar, take exception to Dr. Palpu being employed on a salary of Rs. 2000/- per mensem in East Africa?

2. I am to explain that the information I am now seeking is at the request of the Government of India, and is asked for on the principl t t we should not like Dr. Palpu to be employed under British Administration (at what seems to be a very high rate of salary) if such action would be a source of annoyance or embarrassment to the Durbar.

Yours sincerely,

To,

Sirdar M. Kantaraja Urs, Esqr., C.S.I.,

Bangalore,

August 1919.

Dear Sir,

With reference to your demi-official letter No.5923 dated the 31st July 1919, to the Dewan asking for certain information regarding Dr. Palpu, I am desired to say that Dr. Palpu is not a subject of the Mysore State but, I believe, he is a native of Travancore. He was, however, employed in the Medical and Sanitary Departments of the State from ~~Dec~~ 1892 to 1918..... and was drawing a pay of Rs. 800/- as Superintendent of the ~~Bangalore Central Jail~~ Vaccine Institute & Med. Officer Lunatic Asylum &c, when he retired from service ~~on~~ in the middle of 1918. He is drawing an anticipatory pension of Rs.350 per month, but the regular pension has not yet been sanctioned as he has not complied with the necessary formalities. It is only right to mention that ~~just~~ shortly previous to his retirement Government had to find serious fault with Dr. Palpu's ~~good~~ conduct on grounds of insubordination ~~etc~~, when he was in charge of the Bangalore Central Jail.

As regards his proposed employment in East Africa, ~~I do not think~~ the Durbar have ~~any~~ no objection to it; and they leave the question of pay to be decided in whatever manner the Government of India think fit. ~~I do not think that~~ Any action in the matter is ~~not~~ likely to cause embarrasment to the Durbar, as Dr.

Palpu
